Brief Description of Recycling Activity: **Hedgesville Recycling Center** -- Residential and commercial sources. Limited to 2 buildings, 4 dumpsters and 1 trailer.
 Grapevine Road Recycling Center -- Residential and commercial sources and waste haulers; 5 Acres.
 South Berkeley Recycling Center -- Residential and commercial sources and waste haulers; 5 Acres.

Requirements and Restrictions for Recycling Activity:

- 1) If applicable, recycling activities must comply with all applicable prohibitions and location standards listed under subsections 3.1 and 3.2 of 33CSR1.
- 2) If applicable, provide rapidly growing trees, shrubbery, fencing, berms, or other appropriate means at the facility to provide a wind break, screening from the surrounding area and to function as a barrier to discourage unauthorized access.
- 3) All operations must be conducted within enclosed structures.
- 4) Receiving or storing of any hazardous waste material at a recycling facility is strictly prohibited.
- 5) All materials not used in the recycling process must be properly disposed.
- 6) Recycling activities must ensure that all leachate, waste water and storm water is collected, treated, and/or discharged in a manner that does not violate the water quality standards established under W. Va. Code §22-11-1 et seq. or the regulations and rules promulgated thereunder.
- 7) Stormwater discharges from rain or snow that has been contaminated by the recycling activity must obtain a Multi-sector Stormwater Permit through the DEP Division of Water and Waste Management's Stormwater Section.
- 8) Storage of recyclable materials outside of the enclosed structures must only be materials in bundles, bins or containers; or materials prepared for transportation.
- 9) No material may be stored for more than sixty (60) days without written approval by the Secretary.
- 10) All zoning and fire regulations and restrictions must be strictly followed.
